HOW TO PLAY

Simply write the answer on a piece of paper, and seal inside an envelope. Ask everyone to donate £1, and guess the answer. When all of the boxes have been filled, open the envelope and whoever is closest wins a prize. The donations are then sent to us.

The Hidradenitis Suppurativa Trust is a registered charity number 1128167, SC041828. The host accepts full responsibility for play, and will donate all profits to The HS Trust.
